Coughlin törvénye: „A más mindig jobb.”

Brian Brown aka Douglas 'Doug' Coughlin
a Koktél című filmben

Ez volt a fő szempont, melyet szem előtt tartottunk.

Szeretjük a jó italokat és szeretjük a régi, klasszikus italokat, ezért is van minden koktélunkra kétféle „megoldásunk”. Nem fosztanánk meg senkit a klasszikusok örömétől, de van egy másik ajánlatunk is, ha valami érdekeshez támadna kedve, javasoljuk „Fámás újragondolásainkat”.

Coughlin's law: “Something else is always something better.”

Brian Brown aka Douglas 'Doug' Coughlin
in the Cocktail movie

That was our basic viewpoint, what we kept in mind.

We like good drinks and we like old, classic drinks, therefore we have two „solutions” for our every cocktails. We do not want to deprived anyone of pleasure of classics, but we have also another offer for you, if you would like to choose something interesting, we propose you „Fama's reinterpretations”.
